Fairfield County Youth Football League

Dear Community Member:

Will you join us in supporting the children of our community during these tough economic times?

We are the Board Members of the Fairfield County Youth Football League. We are a non-profit organization run by volunteers from the community. The league includes all children, boys and girls, within Fairfield County. We are dedicated to providing the best and safest athletic experience to as many children as possible. As we face an operating deficit for this year, as many businesses and organizations, we are requesting donations to cover the costs of new and refurbished equipment, scholarships for those in need, and other operating expenses to support our program.

Without the support of the community, we might not be able provide such an outstanding opportunity to the youth of Fairfield County. I urge you to join us today in supporting this worthy cause for our common good.

Attached you will find information on donations. Remember all donations are tax deductible to your business and a receipt will be mailed to you for your records.

Together, we can make sure that the Fairfield County Youth Football League is here for the children of the community for many years to come.

Yours in community spirit,

Board President – James Johnson
Vice President – Bill Long
Vice President – Evan Saunders
Board Member – George Miller
Board Member – Michelle Hamill
Board Member – Jerry Canfield
Board Member – Gary Burnside
Board Member – Brian Harold
