

Stoughton Area Little League Minor/Major Coaches

Home Team Duties

The home team occupies the third base side, supplies the game balls, and pays the umpires. The last home team of the night is responsible for putting the bases (both the white and orange parts) back in the storage shed at Oak Knoll. If games are played at Racetrack, Bjoin, or Mandt the bases should be in the storage box. Fill in the holes in the batters box and pitching mound. Rake the baselines (up and down not side to side). Make sure the supply box and the shed are **locked** before you leave.

Umpires

These leagues have two assigned umpires per game. If only one umpire shows up, the home team will supply an adult base umpire for the game. If no umpires show, the visiting team will supply an adult to call balls and strikes from behind the pitcher's mound.

Please pay each umpire in cash immediately after the game, using funds provided by the league. This is a good opportunity to enlist the help of a team parent. You will receive a check and pay scale information prior to the season. **It is vital that each umpire is paid immediately after each game.**

Bathrooms

The bathrooms are managed by the SALL Concession Committee, please report any damage or cleanliness issues to the concession stand as soon as identified.

Have a fun season and contact us if we can help in any way.
