

Dear _____,

The ANJO Bombers are an elite travel baseball organization known for its high level of play, competitiveness, and sportsmanship. Our team consists of eleven boys, which are from the greater Western New York area. Our goal is to provide our young male athletes the knowledge, skill, teamwork and discipline it takes to play competitive baseball, not to mention the experiences and memories that will stay with them forever.

It's been proven that involvement in athletics helps young people to develop self-confidence, leadership skills and a healthier lifestyle. Your (tax deductible) contribution will help provide this opportunity for the young boys in our program.

Your contribution will help off-set the costs of uniforms, insurances, practice areas, league / tournament fees and equipment. The boys are participating in fundraising activities and their families are also contributing, however, providing a comprehensive program that allows them to be competitive is well beyond what we can afford on our own.

Anything you can do to help will be very much appreciated. We are looking for (tax deductible) contributions of any amount. We are making dugout banners to be displayed at our games. This banner will display our **Banner Sponsors** for all game attendees to see. The size of each sponsor's name / logo are relative to the level of sponsorship (\$200.00 and above).

We will be playing approximately 20 games and multiple tournaments against other area travel teams throughout Niagara and Erie Counties. Our season begins May 1st and runs through August, 2018. I realize that there are many worthwhile organizations but sincerely hope that you feel our program is particularly beneficial to the boys and future of our community! I hope you choose to be a part of our team!

Thank you for your consideration.
