

Dear Prospective Coaches,

Thank you for your interest in coaching Marshfield Youth Football. The goal of our organization is to enrich the lives of young children by providing a safe and affordable football program, where participants will have fun and develop the values of leadership, sportsmanship, commitment and teamwork. Most will find coaching youth sports a very rewarding and fun experience.

Application Process

Marshfield Youth Football Board of Directors conducts a formal selection process for all head coaching candidates. This process includes an online application, which will be reviewed by the board and an interview conducted by the board. The online application will open on a date to be announced during the month of January and interviews will occur on a date to be announced during the month of February. Please check the MYF website for updated information during January.

Applicants must understand that all head coaches are required to attend practices and games in addition to required OCYFL meetings, MYF fundraisers, equipment distribution and other tasks as needed throughout the season. Coaches put considerable time and effort into the program, including practice plans, game preparation, as well as numerous staff meetings outside of practice to review strategies and break down game film.

The board takes the selection of coaches very seriously, and tries to make the best choices for the program. Candidates approved by the board and appointed as a head coach will have an opportunity to select individuals they want to be assistant coaches on their staff. All coaches, including assistant coaches, are required to undergo a background check (CORI) and get certification through USA Football.

Name : _____

Address: _____

Phone: _____

Email: _____

What grade level are you interested in coaching? 8th 7th 6th 5th 4th 2nd/3rd
