

Players of all skill levels should think about their position when choosing their glove. Keep in mind, softball gloves are larger and longer than traditional baseball gloves. Quality leather or synthetic leather gloves deliver a supple, lightweight feel that both protects the hand and grips the ball.

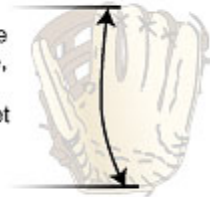

Fastpitch Fielding Glove Sizing Chart

| <u>Age</u> | <u>Infield</u> | <u>Outfield</u> |
|----------------------|----------------|-----------------|
| Under 8 | 9"-11" | 10.5"-11.5" |
| 9 to 13 | 10"-11" | 11"-11.5" |
| High school or Adult | 11.5"-12.5" | 12.5"-13" |

1) pick the glove for your position

2) with a flexible measuring tape, measure from the index pocket top to the heel bottom

3) compare your measurement with the recommended sizes
