Children born between July 1, 2001 and June 30, 2002 are Mite age (8 years old) for Minnesota Hockey. Therefore, they can register as Mites and attend the Mite warm-up schedule. If parents would like their child to move up to play C squirts, they should attend the squirt warm-up sessions. Then they MUST attend the C squirt team balancing sessions. Minnesota Hockey limits the number of 8 year olds per squirt team. To comply with this rule not all 8 year olds that attend the squirt Team balancing sessions will be able to move up to play C squirts. Consistent with prior years, 8 year olds are not eligible to tryout for youth traveling teams.
