Sibling Discount \$25 discount will be available for each sibling after the oldest siblings full fee

Voting Membership Option

Stamford North Little League offers the opportunity for those interested in our Community to be more involved with our League. An optional \$5 voting membership fee per adult gives one the opportunity to actively participate in decisions that affect the League as a whole with a vote at the League's Annual Meeting in the fall. Voting membership includes ability to vote in the election of the board of directors and any changes to the League's organizational documents pursuant to its constitution. For each player family, voting memberships are available to a maximum of two adults. The registration programs include both voting and non-voting options, as well as a voting membership only option.

Our Community includes parents of players, volunteers, sponsors, and local residents, but excluding umpires and vendors to the League. A volunteer upon whom a background check has been performed to the satisfaction of the League (such as a manager or coach) is automatically a voting member without the \$5 fee.
