In 2002, the Palisades Community Center Committee took on the challenge of raising well over a million dollars to renovate the athletic fields at the Palisades Recreation Center. Through their efforts and the generous donations of more than four hundred Palisadians, the “Field of Dreams” was created. This multi-purpose field is utilized year round for organized leagues for baseball, soccer, lacrosse, flag football and softball. In addition, many local residents enjoy the fields for informal recreation and exercise.

The enhancement and maintenance of our “Field of Dreams” is an on-going challenge. The Pacific Palisades Baseball Association makes a significant contribution annually to maintain our field in its pristine condition. Other organizations including the AYSO also make generous donations for field maintenance. Further enhancements to our field and surrounding complex, however, require more fundraising.

This year, we are reaching out to the Palisades Community to raise funds to construct a stairway from the lower parking lot off Frontera to the Fields. This “Stairway to Dreams” will provide a far easier and safer access to the fields. Additional funds that are raised will be utilized for awnings over the grandstands. Our initial goal for this campaign is \$250,000.00.

Whether you have lived in the Palisades for years and have watched your children or grandchildren play on our field or you are sitting on those bleachers for the first time watching your young players just starting out, this is a chance to give back to the community. This is your opportunity to be a part of this beautiful place for your children to play now and in the future.
