Closing Remarks

Helmets with Ice Flyer logo design – Nick to check to see if it will affect the legality of the helmet if we put design on them.

Notes on TDC, county discussion – we need to go big with our first effort, do a small tournament, bring in as many out of towners as possible. Possible tournament Jan 1-3, the Pelican Puck Drop. Nick recommends Squirt-Bantam ages. Need to provide dates, # of teams, hotels to be used, ice breakdown and install cost if applicable for date chosen. Other info we need to collect to present to county if we want to get them to let us use a county building for a rink – cost of operation – find out from small rinks like Pelham, Mid South Ice House, Leo's what their costs are.
