

# Western Loudoun Girls Softball League Scholarship Program

## Purpose

To allow Western Loudoun Girls the opportunity to participate in recreational softball regardless of household financial conditions. The scholarship program was developed to lower the cost of recreational opportunities for children whose families have a financial need.

## Scholarship Requirements

- Parents/guardians are expected, if asked, to participate in volunteer activities to help offset the cost of this scholarship. This could be coaching, assisting, helping in dug out, keeping score, etc.
- Individuals are required to attend a minimum of 75% of scheduled practices, lessons or games. Failure to meet attendance requirements may result in the loss of future scholarship opportunity for your household.

## Other Important Information

- Scholarships will be provided on a first-come, funding and space available basis.
- Recipients must be in good financial standing with the league.
- Receiving a Youth Athletic Scholarship in past years DOES NOT guarantee or register a child for a program.
- Transportation to programs is not provided.
- Scholarships cover the registration/program fee only, not equipment costs.
- You must register as any other participant and simply stop once you get to the paying portion. The league will handle it from there.

## Confidentiality

Western Loudoun Girls Softball League will offer scholarships for eligible athletes. Confidentiality will be maintained at all times. Coaches, instructors or program leaders will not be informed of a participant's financial or scholarship status.
