

## **2016 MJYFH Season Opening Playday**

The Playday is just that – a day for PLAY, not a tournament. It is a fun way to open the season and celebrate youth field hockey. There are no brackets; there is no champion. It is a day for the girls, some of whom have never played before, to pick up a stick, have fun, and learn the game.

Parents, grandparents, coaches and players who are too serious about winning should probably find something else to do on Sunday!

Our officials are High School players, not professionals. They are also at the playday for the love of the game and to learn how the “other half” sees things. It is a great experience for them, please treat them with the respect you would give any other official. They may miss some calls, they may choose not to make some calls to keep the game going. The bottom line is, they are the officials and it is up to them! Please be a bastion of good sportsmanship!!!

Games are 7v7, half-side, 20 minutes.  
Goalies are optional, a goalie is NOT the 8<sup>th</sup> player!  
Goalies must be in full gear.  
Each team plays 4 games.

Players, coaches, parents and spectators are expected to conduct themselves properly on and off the field. Please treat the facility with respect and clean up after yourselves and your team.
