

San Diego Athletic Club Financial Aid Form

The San Diego Athletic Club (SDAC) wishes to assist as many families as possible, however funding for athletic fee assistance is limited. Please know, we will not be able to review or approve requests that are submitted incomplete. As part of any assistance, the SDAC will be requesting that a parent, guardian or athlete, volunteer at athletic events for each season of assistance. If you are unable to volunteer, we ask that you write an explanation as to why you, or the player, cannot do so on the back of this form.

If awarded a scholarship and a player receives a red card or multiple (three or more) yellow cards, the Board will convene a disciplinary committee to review and determine any action(s). This may include voiding the player's eligibility to play with the Aztecs. Should a scholarship be voided, or should the player quit for any reason other than injury, the player may be required to pay any or all CIPP and SDAC registration fees, plus prorated season fees, before being eligible to participate in any further Club practices or games.

Player Name: _____ **Grade:** _____

Date of Birth: ____/____/____

Team: _____

Season and Year:

HS/Fall ____ Club/Winter-Spring ____ 7's/Summer ____
