

# Crown Point Lacrosse Club Membership Guidelines

## YOUTH TEAMS

**8U:** \$125 base registration fee plus \$100 in fundraising cards

**10U:** \$250 base registration fee plus \$100 in fundraising cards

**12U:** \$250 base registration fee plus \$100 in fundraising cards

**14U:** \$250 base registration fee plus \$100 in fundraising cards

All youth CP Lacrosse members will be responsible for selling \$100 in fundraising cards. Fundraising cards are paid for and distributed at uniform pick up. The family can then sell the cards and keep the proceeds as reimbursement.

Optionally, families may choose to acquire a minimum \$100 sponsorship (per player) in lieu of selling the cards. This sponsorship must be secured with paperwork and payment at uniform distribution.

Your youth registration fees help the club cover the expenses for 6-one and a half hour indoor practice sessions at the Sparta Dome, bi-weekly outdoor practices throughout the season, two-multi-game tournaments, turf field rental and officiating costs for home and away games, and a practice pinnie.

## HIGH SCHOOL TEAMS (Girls & Boys)

**JV & V:** The registration fee is \$350 plus each player will also be responsible for acquiring a mandatory sponsorship of at least \$250.

**If a sponsorship of at least \$250 is not secured by February 1, 2019, the player will be responsible for an additional \$250 paid to the club and will need to purchase \$100 in fundraising cards.**

As in years past, your fees help the club cover expenses for SMI pre-season conditioning, indoor practices at the Sparta Dome, outdoor practices 5 days a week throughout the season, field rental, and officiating costs. For the 2018-2019 season, each high school player will receive a practice pack of clothing items. The practice packs will be distributed at the uniform pick up day. Each boys practice pack will contain a long sleeve shooting shirt, a short sleeve shooting shirt, shorts, hooded sweatshirt, sweatpants, socks and a practice pinnie. Each girls practice pack will include: a black long sleeve shooting shirt for under their uniforms, black leggings for under their uniform, a crew neck sweatshirt, sweatpants, socks, and a practice pinnie.

**Multiplayer Discount:** If a family has multiple players in the CP Lacrosse program, a \$25 discount is issued for each additional player and with each additional player (at the youth level), 5 additional fundraising cards will need to be purchased. Each High School Player will still need to acquire their own \$250 sponsorship.
