

# EASTERN MASSACHUSETTS CAL RIPKEN BASEBALL

A DIVISION OF BABE RUTH LEAGUE, INC.

MIKE JANICKI  
STATE COMMISSIONER

On behalf of the EMASS Cal Ripken Division Board of Directors, I want to extend congratulations on your accomplishments in District play and welcome all players, parents, coaches and friends to the 2015 10 Year Old State Tournament.

Highland Lowell, this year's Host community, and the EMASS Cal Ripken Administration have worked together to provide a pleasant and memorable experience during the tournament. We wish you all the best of luck on the road to Bridgeton, ME for the 2015 New England Regional 10 Year Old Tournament.

The Cal Ripken Division of Babe Ruth Baseball has 60 towns and over 28,000 players in Eastern Massachusetts and as players and coaches, families and fans, each of you participating along the tournament trail should be proud of the efforts of so many to get you to this point. Your local league, your district, your state and your national program all seek to provide a rewarding, character building experience.

If you have any questions about Cal Ripken Baseball or the Babe Ruth organization, please ask a member of the staff. We will assist you in any way we can. Our goal is simple: have fun, learn the game of baseball and develop wonderful memories.

Sincerely,

Mike Janicki
