

2016 Intro to Hockey Summer Camp

Our camp is designed for boys and girls ages 5 to 12. It's a great introduction into ice hockey in a fun and supportive environment. No ice skating experience necessary. This beginner hockey program separates the ice into three zones, each one according to the child's skill level. The children learn to play in small groups through games and activities.

Zone 1 - Emphasis on feeling comfortable on the ice while gaining balance and control.

Zone 2 - For skaters who have completed Zone 1 or who have skating experience. This level will focus on stick handling and working with the puck.

Zone 3 - For skaters who have completed Zone 2. In this level children will learn how to shoot and play mini games.

Our day will include two on ice sessions depending on the package you choose, on ice and off ice games, Indoor and Outdoor sports (relay games, broomball, t-ball, volleyball, four square, kickball & soccer).

Snacks are provided. Lunch is provided for Full Day Campers Only (sandwiches, fruit, yogurt, pastas, pizza, juices and milk).
