

Come Cast Your Vote

The ECHO Board of Directors invites all Adult Members in Good Standing* to cast their ballot for the 2015/16 Board of Directors and vote on the proposed Bylaw Amendment.

When: May 20, 2015 at 6:30pm

Where: Bolton Ice Palace

What:

Board of Directors Vote: The following names have been nominated and placed on the ballot by the nominating committee and the current Board of Directors for the positions listed below:

- Co-President: Brian Wry
- Co-Director of Coach and Player Development: Mike Russo
- Vice President of Operations: Kim Fleming
- Director of Marketing: James Soboleski
- Registrar: Nicole Dukett

Proposed By-Law Amendments: the following changes to the ECHO By-laws dated 5/12/2009 have been proposed and voted in favor of by the current Board of Directors:

1. Replace all description/mention of Vice President of Travel Teams with Vice President of Operations.
2. Include, where appropriate, language pursuant to modern technology i.e. the ECHO website, Facebook page, tweets, texts etc... in descriptions, methods of communication and duties.
3. Enable board positions to be filled as "Co-roles" to allow for greater service to the BOD and membership.
 - a. President
 - b. VP of Operations
 - c. Director of Coach and Player Development
4. Change and amend the job title of Director of Publicity to Director of Marketing (website & social media responsibilities have shifted to Secretary)
5. Change the VP of Mini-Mite/Instructional from a voted position to a position appointed by the Board of Directors with pre-screening done by the President and Vice President of Operations. ECHO BOD may choose to grant a stipend in line with those previously allowed for this and only this position. - Also change this title to Director of Mite Limited Travel/Instructional & House Limited Travel
6. Addition of term limits of 3 years - BOD personnel may serve again provided they are re-elected after this time.
7. Change April to Spring of each year for election and open meeting references.

A Full Version of the existing By-Laws & the Proposed By-Laws can be found on the Documents Page of the ECHO Website.
