

# CONNECTICUT JUNIOR RANGERS HOCKEY CLUB

487 EAST MAIN STREET • SUITE 328 • MOUNT KISCO, NY • 10549

For winter tryouts, parents will be required to give (at the registration table) a \$2,000 deposit check before your player steps on the ice for the 2nd scheduled tryout session (NO EXCEPTIONS). If chosen by email or any other method of communication, this deposit will be applied to your tuition after team selections. Make checks payable to: Excellence in Hockey LLC.

We will be having multiple teams at most age levels, Elite & AAA. If your child is chosen for the Elite team, your deposit and commitment letter are binding and your player will be placed on the roster.

If your player is chosen for the AAA team, you will have 24 hours or less to accept the position before another invite is sent. If your player accepts the position, your check and commitment letter are binding and your player will be rostered on the team. If you decline the position on the AAA team, your check will be destroyed and that spot will be offered to another player immediately.

For those players also trying out for Mid-Fairfield Junior Rangers, should you make that team CJR will destroy your commitment letter and check. Should you not be selected to Mid-Fairfield your CJR commitment letter remains binding.

Thank you for your understanding during the tryout process. Please check in at registration at least 1 hour prior to your tryout so that we can process the large number of registered players.

***Best of luck to all the players!***
