

2016 DYB Post Game Snack Order Form

The Daphne Youth Baseball League offers each team the opportunity to pre-purchase post game snacks from the concession stand. The post game snack consists of a small fountain drink or Capri Sun, a bag of chips and a Popsicle. If you choose to purchase the post game snacks through the concession stand, please fill out the information below and bring it to the concession stand during the first week of games. After each game, you can bring your team to the concession stand for their snack. Parents don't have to worry about remembering whose night it is to bring snacks and the kids enjoy being able to come to the concession stand to get their snack. The cost for the post game snacks are \$1 per player per game (not available for opening day games).

Peanut – 18 games x \$1 x number of players on team

Rookie, Minor and Ozone – 16 games x \$1 x number of players on team

My team would like to purchase post game snacks through the concession stand.
