PROTESTS - EXCERPT FROM BY-LAWS

When a game is protested, the umpires shall contact the chairman (or his designated representative) immediately. A ruling will be issued before the game will continue. Teams may protest this ruling. Protests involving two teams from the same diocese will be handled as described in the by-laws. Protests involving two teams from different diocese will be resolved in the following way:

The chairman will appoint a committee of three coaches no longer involved in this division's playoffs. The committee will also consist of one executive board member from each diocese.

Due to time restraints and availability, the chairman reserves the right to change the appointees as needed
