RE: MILL Sponsorship Opportunities

Dear Friends of Milford International Little League,

Milford International Little League is chartered by Little League Baseball and Softball, and adheres to their policies of sportsmanship, competition, and teamwork provided by this national organization. Our mission is to provide our children with the facilities, conditions, and mentors in order to promote self-esteem, life-lessons as well as pride in our community.

The financial support of individuals and companies is what makes our league able to offer recreational play opportunities for over 600 of Milford's children. Please take a look through our attached 2016 list of sponsorship programs. We have made some changes that will be a benefit to you and your company, and provide a more attractive and memorable sponsorship experience.

On behalf of all the players, managers, coaches, parents and friends of Milford International Little League, we thank you for your interest and support of our league. Without the generous support of people like you, our league would be unable to exist. Each year, you and countless others lend financial, physical and emotional support to our league and its players. Your kindness is well received and VERY much appreciated.

Sincerely,

Milford International Little League Board
