

**Stafford Little League
Sponsorship Program
P.O. Box 41
Stafford, CT 06075**

It's time again to be thinking about baseball and softball in Stafford Springs!

2016's theme is "*A Season of Smiles*" which allows us to celebrate the introduction and cultivation of the "**Great American Pastime**" while teaching the life lessons of teamwork, fair play, discipline and sportsmanship. Our goal every year - but this year in particular - will be to ensure every child has a terrific experience in every level of our Little League, Baseball and Softball, T-Ball Through Senior League!

Having said that, the Stafford Little League is asking for your support! As a 503c non-profit organization, run by volunteers, **we are successful providing for the children because of our sponsors.** With your tax-deductible donation, we are able to provide our players and coaches with quality training, safe equipment, and the finest playing fields in the area.

Your sponsorship will provide the league with assistance in many different areas. We support both baseball and softball in Stafford and we also make a donation to the John Julian Memorial Scholarship fund, benefiting a Stafford High School senior going onto college.

Please review, complete and return the sponsorship form on the next page.

We thank you very much for supporting positive opportunities for Stafford's youth. For questions, Please feel free to send an email to questionsstaffordlittleleague@gmail.com or visit us on the web at www.staffordctlittleleague.com.

Sincerely,

Bill Utermarck

Bill Utermarck
