

Hello to all Parents,

This is an overview of the board meeting held on 8/10/10.

Going forward, we plan to hold regular monthly board meetings the first Monday of the month until summer 2016. Due to Labor Day, the September meeting will be held Tuesday 9/8/15 instead of Monday.

- There will be a closed meeting from 7-7:30 PM to allow the Board to address necessary issues in a timely fashion.
- There will be an open meeting for all parents and players commencing at 7:30 PM. **Please feel welcome to attend any or all open meetings. This is OUR team and the more involvement; the better it is for everyone.**
- Please notify any board member for any issue you wish placed on the agenda (Kevin Suiter, Matt Springli, George Kossl, John Sydow, or Jennifer Gallagher).

Nancy Suiter has researched and found practice reversible pinnies. They will have a logo on front, number on back. \$20 per jersey. HUW will order 30 pinnies, match numbers to current jersey numbers, current players have first dibs on numbers.

A discussion was held to consider a winter training session. We are currently researching possible locations, prices and coaching staff for the winter training session. Additional information will be forthcoming.

An application has been completed and submitted to the First Stick Program applying for equipment grant. The Board is currently researching an application for a Dick's Sporting Goods Matching **Donations** Grant.

A Mission statement coming to HUW website.

The Board feels it is important to work toward 501C tax-exempt, non-profit status. **We are looking for anyone with experience in this area to assist in the development. Volunteers?**

Regarding recruitment:

The Board would like to hold a Try *LAX for free day*, prior to the winter training session to encourage new players. John Sydow is working on an agenda. All players should be actively seeking to recruit interested players.

We are in the planning stages of a Recruitment Informational Meeting one at the *Try LAX* day, and a second at another time. Any ideas for recruiting, please let us know. We will need people to staff the meeting. Parents to answer questions on Lacrosse.

Consideration of a "Cup" game between Zumwalt and Howell during the season, alternating schools each year. This is in the "thought" stage.

Nancy Suiter and Cheryl Burke are researching options for Spirit wear

Fundraiser- We need volunteers to assist with the plans for another Music Trivia night, possibly in January, prior to the season. **Everyone did a great job last season in helping pulling it all together.** This year we would like to try to get as much involvement as possible as John Sydow will be handling club coordination and have less time to devote to trivia night.

If HUW is selected for the Dick's matching grant, we will need lots of help to obtain donations!

Please feel free to contact us with any questions.

Jennifer Gallagher, HUW Secretary
