Randy Taylor
Treasurer

My name is Randy Taylor and I am running for the Treasurer Position on the Pine Richland Youth Football Board. It has been a great pleasure for our family and my son Tristen to be part of the PRYUFL for the past 6 years. I have enjoyed my role as Treasurer this year and as PR Commissioner for the previous 2 years where I have been able to bridge communications between the Organization, Parents, Board, Coaches, Cheerleaders and Players. Providing our children with a great experience has been a key goal.

My experience as a CPA with 18+ years experience will provide an easy transition with current Treasurer, Board and Auditor. My extensive financial knowledge will be an asset to the Organization in key areas, such as; preparation of detailed budgets and financial reports on a timely basis. I am also member of the American and Pennsylvania Institutes of Certified Public Accountants.

I am also currently volunteering as the Vice President for PR Youth Lacrosse Board and was an Assistant Coach for ETNA Deck Hockey in the early 2000s.

I hope to continue to serve this great Organization as your Treasurer.

Thank you

Randy Taylor

Eric Jacobs
Fundraiser Chair

My family and I have been PR residents for about three years. I have three boys, ages 9, 11 and 14, two of which play football. I've been very involved with youth sports, having been head coach on about 10 basketball teams, 4 baseball teams and have been an assistant football coach the past 2 years. Additionally, I've served on the lacrosse board the past 2 years and have also been active with charities such as the Clear Thoughts Foundation and the Team in Training, I've assisted with fundraising and driving revenue for both of these organizations.

For my profession, I'm a sales director for a technology company (Presidio) and manage a local team so I have little to no travel.

Thanks for your consideration, let me know if you need any other information.
