

Hanson Youth Football Punt, Pass and Kick Fundraising 2015

Hanson Youth Football 2016 Fundraiser – Show Your Skills – Punt, Pass & Kick Competition & Pizza Party with 103.3 AMP Radio! 50/50, Dunk a Coach

September 10th following the weigh in

Please mark your calendars for our 3rd annual fundraiser, Punt/Pass/Kick contest. (start collecting donations NOW!!!!) Hanson Youth Football will be holding a competition highlighting the skills of Punting, Passing & Kick. This is HYF's most important fundraiser of the year and we need your support. The funds raised with this event allow the Hanson Youth Football players to have a safe, affordable, fun and rewarding experience! **With your help we can do this!!**

Competition Overview: This competition creates a lively and engaging forum for the kids in the HYF program to compete separately against their peers in punting, passing and kicking skills. For each division (Midgets, Peewee, Mites and Mighty Mites)

Object of the Punting, Passing & Kicking Competition: The competition will take place following the Weigh-ins on Sept., 10th at Indian Head School Field. Each player will be allowed one punt, one pass and one placekick as part of their participation. Each participant's final score will be his total feet (minus distance from center line) combined from all three events. Prior to the event, players are asked to collect pledges on the enclosed pledge form (additional copies available) from family, friends and neighbors.

You will also find copies of the forms on the HYF website that you can print out at any time.
