

Welcome to the 2016 Football Season!

Hey Wildcat Fans, we are 14 weeks away from kick-off and another spirited season of Libertyville High School football! Come join our tradition of making Wildcat football a priceless memory for our players and fans. Welcome to the 2016 Season from the Wildcat Football Parents' Association- **GO 'CATS!**

Communication—New This Season

Okay team, here is the communication game plan for the 2016 season:

- All coaches, team parent, and WFPA communications will come through the specific contact information that you provide when you register on our www.wildcatsfootball.org website.
- Please complete this process as soon as possible. Deadline for completion is July 1st. After July 1st, if you are not receiving communications, you need to confirm your contact information is up-to-date on your website registration.
- The website enables the coaches to contact players and parents via email and text communication and will eliminate the need to keep email distribution lists. Please get on board!

Website Registration—Action Needed—July 1st Deadline

If you created an account last season, please log into your account at www.wildcatsfootball.org and confirm that the contact information is accurate for each parent (separate registration for each parent) and for each player. If you did not register last season, please create an account for each parent and player in your family using the instructions indicated in the Help/Documents Section on the left column of the website home page. Starting July 1st, all communication will come directly via the website communication tool. So please make sure your contact information is up-to-date! *More detailed website registration process information for returning families is included in this mailing.*

Wildcat Football Parents' Association

Did you know that WFPA does not receive any funds from game day ticket revenue? We also do not receive any funds from the players selling coupon books or from concession stand revenue. Those funds benefit the LHS athletics department and the various clubs that work concessions. Did you also know that each player will receive approximately \$1000 worth of benefits from WFPA over a four year high school career? This is funded exclusively through our membership fees, advertising, and private donations. Our goal in 2016 is 100% membership of all football families at all levels. Your support is critical to our funding of the program.
