Communication

- All coaches, team parent, and Wildcat Football Parents' Association (WFPA) communications will come through the specific contact information that you provide when you register on our www.wildcatsfootball.org website.
- The website enables the coaches to contact players and parents via email and text communication and will eliminate the need to keep email distribution lists.
- **Starting July 1st,** if you are not receiving communications, you need to confirm your information is correct on your website registration.
- There is lots of information related to upcoming events on our website—check it out!

Website Registration—Please Complete Prior to Orientation Event

Before attending the June 6th freshman orientation event, please create an account on our website at www.wildcatsfootball.org and provide contact information for each player and each parent. If you completed your website registration last year (because of a previous player in the program) you are already in the system but need to confirm that your information is accurate and up-to-date and please add the contact information for your Freshman player. Starting July 1st, all communication will come directly via the website communication tool. We are requesting that all Freshman families register prior to the June 6th football meeting so that if parents have any questions related to the registration process we can answer them at that orientation! *More detailed website registration process information is included in this mailing.*

Wildcat Football Parents' Association

WFPA is a non-profit group of parent volunteers dedicated to supporting the Libertyville High School Football program and promoting a positive and fun experience for our players. WFPA does not receive any funds from game day ticket revenue. We also do not receive any funds from the players selling coupon books or from concession stand revenue. Those funds benefit the LHS athletics department and the various clubs that work concessions. Each player will receive approximately \$1000 worth of benefits from WFPA over their four year high school career. This is funded exclusively through our membership fees, advertising, and private donations. Our goal in 2016 is 100% membership of all football families at all levels-including freshmen. Your support is critical to our funding of the program. We meet the second Thursday of every month and meeting locations are posted on the website. Join us!
