Message from the Board of Directors

Please join us for our board meetings on the third Wednesday of every month at 6:30 p.m. Everyone is welcome to come out and see how you can help our association grow the game.

All rostered players and coaches now need to complete online registration on our updated website – www.jamestownlakers.com. If you do not see your team listed yet, keep watching. ADM and Beginners will be available soon. All players will also need to update their USA Hockey certification, which can be done right from our website.

Current members' emails have transferred over, so to start the process, members can enter the site by putting in their email and hitting "forgot password." Members can also update their information by going to "edit my account." Members will still need to hit "forgot password" if their information has not already been updated. When you get in to your account, you will need to update your information and your player's information. Date of birth is very important.

Keep an eye on our website for jersey and sock orders. Those will be available in the near future.

The CCYHA Jamestown Lakers 400 Club on May 2nd was a huge success and a lot of fun! Thank you to those who donated food, beverages, gift baskets... and TIME.
