

## How to Raise the Suggested Player Contribution

**Goal:** Your goal is to raise \$550 for your participation in the 2017 lacrosse season. Start early and give yourself ample time to raise donations. The completed Donor Sheet along with the money you raise may be given to your Coach or delivered to PPLA Treasurer, Mike McArthur.

**Raising the Money:** If you can, wear your lacrosse game jersey or other Pali lacrosse wear when asking for donations from:

- Residents in your neighborhood
- Businesses in your neighborhood
- Friends and family members

### Other Ways You May Make Money:

- Collect and return recyclable cans and bottles
- Recycle old books, CDs, DVDs, games and empty ink or toner cartridges (Amazon)
- Sell second hand clothes
- Have a yard sale or garage sale
- Clean your room & gather all that loose change
- Wash or detail cars
- Babysit or walk dogs
- Take on an odd job

### Collections:

- a. Have each person, including your parents, fill out the enclosed donor sheet; this will help you to track the money and those who donated. Addresses and emails allow you to send thank you notes to your donors.
- b. Put checks and cash in the attached envelope.
- c. Turn in your Donor Sheet and envelope to Coach Donovan, Coach Economou or Mike McArthur. The sooner the better!
