

Skills and Drills

Each team will be entered in the *Skills and Drills* event, which will begin at the end of the 11:00 a.m. or 12:30 pm games Saturday afternoon. This part of the day is intended to promote team spirit and unity as the girls compete against the other teams. Each team is required to enter into every event. However, each girl is limited to one event. (Note: If your roster is less than 15, then no girl may be entered into more than two events).

“Four Girl Race Around the Bases” (4 girls)

Two teams will compete at a time to see which team can run all of the bases in the quickest time. The 2 teams with the fastest times will compete against each other for 1st and 2nd place.

The first team will begin with four girls lined up at home plate and the second team will begin with four girls lined up at second base. When told to start, both teams will start running around all of the bases, touching each base as they pass. If a girl misses touching the base, she must go back and touch it before proceeding to the next base. Once the runner passes the next girl in line on her team, then that runner will do the same and so on until the last girl in line has finished. In the event of a tie, each team will pick and remove one runner from the opposing team making it a three girl race and so on until we have a winner.

“Single Girl Race Around the Bases” (1 girl)

Each team will enter 1 girl into this race. Each girl will get two attempts at running the bases and her best time will be the time she is seeded with. All of the bases must be touched before proceeding to the next base. If a base is missed that run will be over. The two girls with the fastest times will compete against each other for 1st and 2nd place with one girl starting at second base and the other at home plate.

“Throwing Relay” (5 girls)

Each team will line up five girls beginning at the foul line, spreading out the girls in line to the outfield fence. When told to start, the first girl will throw to the next girl in line and so on. The relay will start at the foul line and go out to the outfield, then back twice. The 2 teams with the fastest times will compete against each other for 1st and 2nd place.

Around The Horn (5 girls)

Each team will enter 5 girls into this event and will have the players positioned in the following marked locations on the field. Catcher, 1st base, 2nd base, short stop and 3rd base. The event will start with the catcher throwing the ball to the player at short stop who will then throw to the player at 2nd base who will throw the ball to 3rd she will throw to 1st and then back to the catcher. At any time there is a bad throw the player who was receiving the ball will chase it down and then throw to the next player. The 2 teams with the fastest times will compete against each other for 1st and 2nd place.

AWARDS WILL BE GIVEN AWAY FOR 1ST AND 2ND PLACE FOR EACH EVENT
