The Berkshire Rattlers is a growing hockey program that serves boys and girls ages 4 and up who live in Massachusetts, New York and Connecticut.

We practice and play our home games at the beautiful Jackman Stewart Rink at Berkshire School located in Sheffield, Massachusetts, just 10 minutes east of the Catamount Ski Slope.

Our Mission:

The Berkshire Rattlers Youth Hockey Organization serves families of the southern Berkshires and surrounding locales through instructional and competitive youth ice hockey. We promote a fun, safe, friendly environment that fosters increased participation, improved skills, teamwork, and long-term personal and athletic development.
