As such, the Brighton High School Lacrosse program has implemented a policy for academic standards. To implement said policy, players will be required to submit an authentic, unedited and current document listing academic progress one or more times during the any regular Spring (November-May) or Fall (August-October) Lacrosse Season. The beginning of any season shall be considered the first day of practice/tryouts and shall continue until the final game of the season for the individual player.

Participation in Brighton High School Lacrosse

In order for a player to participate in BHS LAX, both the player and their parent (or legal guardian) must consent to the player's disclosure of academic progress. The head coach will determine when all players will be required to submit academic reports. The requests shall be sent to both the player and the parent by a means designated below (text message or email). It is the responsibility of the player and parent to ensure that they check for notifications. The player or parent shall have a 72 hours to comply with the request once they have received notification of the request.

All grading reports will be reviewed and compared with the BHS LAX Minimum Academic Requirements as follows:

- 2.5 GPA
- No "F" grade in any academic course.

If a player fails to maintain either or both of these requirements, the player's parent will be notified to bring their player to meet with the coach and discuss recourse.
