

ZERO TOLERANCE POLICY

At the May 5, 2005 Green Brook Hockey Club Board meeting, the following policy was revised and instituted into the GBHC House Rules during the Spring 2005 season.

1. Any verbal abuse, negative comments or deliberate un-sportsman like conduct before, during or after a game directed towards any player, coach or referee will result in immediate suspension and disciplinary action by the GBHC.
2. First offense will result in a full game suspension to the player involved.
3. In order to satisfy your one game suspension you must remain on the bench (helmet must be worn) for the next scheduled game without being allowed to participate.
4. You will not be reinstated to play until you satisfy your full game suspension requirements.
5. Second offense will result in a suspension from the GBHC for the remainder of the regular season and playoffs.
