

SPONSORSHIP OPPORTUNITIES

The Three Rivers Athletic Club thanks you for considering joining us as a Corporate Partner. We are a 501 c3 organization that offers recreational and competitive soccer and swim activities here in Gilmer County. TRAC Soccer is dedicated to the development of a quality youth soccer program that provides the essential elements of fun, age & gender appropriate skill development, healthy competition, and teamwork.

TRAC have two competitive soccer divisions that have played successfully across the state by going undefeated in the Fall 2016 season! Imagine your Business' Logo emblazoned on 200 jerseys of championship soccer players who compete in weekly competition and play in tournaments across Georgia. We also host an annual Fall Classic Soccer Tournament where over 700 players and guests from across the region are invited to compete. Your Logo will get seen all weekend by these guests.

TRAC is operated solely by volunteers and the minimal fees charged go toward uniform costs, equipment, field maintenance, referees, and providing top notch training for our coaches. No child is ever turned away. We value our families too much to allow a child to miss out on the experience of TRAC Soccer

To Partner with us or if you have any questions, please contact Jason Turner (706-851-5316)
