I waive, release, absolve, indemnify, and agree to hold harmless the GSA and affiliated association, league, the organizers, supervisors, officers, directors, participants, and persons or parents supervising or transporting participants to or from such activities from any claims arising out of injury to my child. I understand that a player who registers with an affiliated league is bound to that league for the entire seasonal year unless a transfer is requested for extenuating circumstances. Rules 3131 and 3134 as interpreted by GSA Board of Directors states that a player's financial obligation to their club is tied to a one year commitment. This would mean that a club's stated written financial obligation as published by the club and accepted by the player for the year would have to be satisfied before a transfer would be considered.

**Exención de responsabilidad:** Por la presente doy mi aprobación para la participación de mi hijo en cualquier GSA y asociaciones afiliadas o actividades de la liga. Asumo todos los riesgos y peligros inherentes a dicha participación, incluyendo el transporte hacia y desde dichas actividades. Renuncio, renuncio, absuelvo, indemnizo y acepto mantener indemne a la GSA ya la asociación afiliada, a la liga, a los organizadores, supervisores, oficiales, directores, participantes y personas o padres que supervisan o transportan a los participantes Fuera de lesión a mi niño. Entiendo que un jugador que se registra con una liga afiliada está obligado a esa liga durante todo el año estacional a menos que se solicite una transferencia para circunstancias atenuantes. Las reglas 3131 y 3134 según lo interpretado por el Consejo de Administración de GSA establece que la obligación financiera de un jugador a su club está vinculada a un compromiso de un año. Esto significaría que la obligación financiera escrita de un club publicada por el club y aceptada por el jugador para el año tendría que ser satisfecha antes de que se considere una transferencia.
