

2016 Lacrosse U11 Reminders

All games are hosted in a mini-jamboree format.

The length of games is maximum 20 minutes running clock per half. The game schedules are listed at 50 minutes between all games. It is essential that the games stay on schedule as additional games may be on the same field during the day.

All programs that are hosting a mini jamboree should review the **Master Calendar** for the specific day a mini jamboree is at their field. It is important to know some games may begin and/or conclude before or after the hosting team is playing. The **Master Calendar** on the WAGLAX league site is a great way to be sure one can see all the games on a specific day/s.

Follow these easy steps to see the **Master Calendar**

1. Go to the WAGLAX league home page
 - a. <http://leagueathletics.com/Default.asp?org=waglax.org>
 - b. Scroll down the page to find the calendar, circled below in red

2. . Navigate to the month and day your program is hosting a Mini Jamboree and click on that day. The **Master Calendar** will open to show all events (games) for the selected week, scroll down to the day desired to see all the games at the field/s. All U11 fields are named an “A” and “B” field, be sure to check both for the date you are hosting. Make note of the first game/s and the final game/s

Date	Time	Team	Type	On	Note
U11 games begin					
Bellevue, International School	1:15p - 2:30p	Bellevue East U11 (B) vs. Bellevue Wolves Blue U11	Game	DAFB

Redmond, Marymoor Park Turf #4	1:30p - 2:45p	Lake Samm Eagles South U11 (B) vs. Mount St U11	Game	DAFB	
Seattle, Lakeside MS					

3. Please be mindful to have the access to parking, fields and any areas ready for players and parents to arrive before that initial game as needed. If you have a game starting before your team/s will play and you are hosting, please be sure the field is ready to go for the teams with field markings and goals, cones, etc.

The league appreciates all the hosting teams and continued support for this very effective format.
