4. Contribution check (\$450)

In order to sustain our high school boys lacrosse program we request a contribution of \$450 per player. Player contributions are not required in order to be on the team, but they are the primary funding source for our program. Your contributions go towards the following player expenses: Uniform jersey's, pinnie's and shorts (returned at end of season), team equipment, supplies, coaches' salaries and travel expenses, referees for home games, game administration for home games, bookkeeping, and equipment replacement and repair.

If you are unable to make a full or partial contribution please let Steve (sbgellen@gmail.com) or Wes (wesa5j3@rocketmail.com) know and scholarship funding will be arranged. Contribution checks should be made payable to: DHS Boys Lacrosse and mailed to: Steve Gellen, Treasurer, DHS Boys Lacrosse, PO Box 73521, Davis, CA 95617-3521.

We prefer to collect contributions before the season. We hold all contribution checks until tryouts are completed and rosters are filled. At that time we cash rostered player's checks and destroy or return checks of those players who have not made a roster.

Meeting Agenda will include:

- Coaches Updates
- Tryout and practice formats
- Instructions for completing the additional paperwork required by DHS Athletics.
- What the coach needs from you before you can tryout
- Volunteer Expectations and training
- Contribution information
- Update on Fundraising efforts

We will also be taking orders for Lacrosse wear. Samples will be available for sizing.
