The player's coach on the sideline will assure compliance with the referee's call and the player can self-release after completing the penalty. (This rule is to introduce this level of U11 players to the concept of coming off of the field of play for a period of time). High stick checks that result in a "brush" should be called a slash. Should a player demonstrate unsportsmanlike behavior it will be incumbent on his coach to substitute out the player and have the offending player "sit out" until he/she is ready to constructively participate.
20. The game will start with a face off and there will be a face off at the beginning of each quarter and after each goal. At any point during a game when there is a six-goal lead, the team that is behind will be given the ball at the midfield line in lieu of a face-off as long as the four-goal lead is maintained, unless waived by the coach of the trailing team.
