

DLA BOARD MEETING

January 17, 2017. Roundtable Pizza,

Attending: Dan McNamara, Dina Allison, Suzanne Isidor, Jamie Heard, Joey Moseanko, Nick Juri

Finances – DLA balance approximately \$49K as of tonight. There have been fewer scholarship requests this season. Dan M will get the list of players needed scholarships to Dina A. Dina A has not had access to the PO Box, so the balances are not correct. She will get the key by tomorrow and try to get the balances updated by Wednesday evening. There is a DLA CC available for purchases now. Please speak with Dan M or Dina A if you have an expense that you need covered.

Apparel – We had extra girls register, so we may need to order additional girls uniforms. Suzanne will try to arrange to get girls sized as soon as possible. She will contact Paul Wolford. Coaches store is open. All girls coaches have been notified. We will have to alert the U8 coaches once we have them registered. Stephanie Schoen has taken over Spiritwear/Coach apparel. Stephanie Cavatoni will be helping Paul Wolford. We will contact Mrs. Iacono about having DLA players get socks and stickers through the High School store again.

Boys – There are sufficient games for both U14 and U12. Coaching staff is set. There are about 25 players on each of those teams. We may try to get HS students to help with the U12's. Discussion about moving U10's up or down versus moving all U8's up. Final decision. Stick with 4x4 U8 as we have 8 – 10 players versus trying to field a 7x7 team and coming up short of players on game days. Ideas for coaches for U8. Garrett McCapes wants to coach but has to travel for work. Assistants versus co-head coach – Sheldon Blisset? Don Aeillo? Suzanne will contact the Blissets. Dina has reached out to Don already. U8 has no games yet and will practice at Korematsu.

Girls – There are 4.5 coaches for 5 teams. Suzanne thinks they have it covered with help from some HS players and letting some youth players assist with the U8's. They will be practicing at Chavez. Suzanne is still working on the game schedule with over 35 players in the U14 division.

Equipment – Girls need 4 little and 3 big cages. Suzanne will get a list to Joey. Suzanne will place an order for the goalie gear and bags she wants. Okay to get some fitness ladders – Dan M plans to order these. Also okay to get goal targets.

Managers – G14B Marianne Quaas, G12B Possibly Chris Belew (she wants to speak with Marianne first), G10 Kina Heard, G8 TBD, B14B Jolandi Schulz, B12B Keri Cavanaugh, B8 TBD

Score table / Timing training – sent message to Don A. asking if he still plans to do the training in February.
