

Lacrosse Board Meeting: May 4, 2017

This meeting included board members and lax parents. Parents were welcome to share their experiences and give feedback to the board.

Parent Feedback:

Parents are happy with the coaches and with lacrosse.

A parent would like some ideas how to recruit more players as to not have children to “play up”. Rosie would like to help with recruitment.

Parents were very happy how the clinics and Fall Ball developed skills.

Player development: It is understood that not all players are born with raw talent. Some kids need time to develop their skills. All players need playing time to get better and for their team mates to see them as capable.

Playing time is a must. Does DLA have a rule in regards to playing time? Maybe one quarter playing time per player.

June 4 Summer Skills Clinic and Game:

There will be a clinic on June 4 for new players. They will receive a stick and ball. There is a discount if a player has a stick and ball. The clinic is at Davis High School.

End of the season lacrosse game boys vs. girls will be on Sunday, June 4 from 9-11pm. The coaches will send information to the teams. Eleven to twelve players per team are expected to play. The boys will play with the girl's sticks.

High School Changes:

There will be a board meeting on May 11 to meet with Mark to discuss changes at the high school.

Dina is working on the accounting and how to support the high school during this time of transition.

DLA will still support the high school with clinics, summer and fall ball. These programs would be open to players from other towns.

Summer Camps:

The girl's team will have a summer camp beginning on June 26 from 5:30-8pm. The location of the camp is at Cesar Chavez. Suzanne Isidor will be the coach.

The boy's team will have a summer camp beginning on June 26 from 5:30-8pm. The location of the camp is at DaVinci High School. Joey Moseanko will be the coach.

New Volunteers:

Thank you for our new volunteers Davina and Dustin. Davina will be maintaining twitter,

facebook, and instagram accounts for DLA. Dustin will be the new webmaster.

Finances:

DLA's finances are strong. There were a lot of scholarships that were awarded this season. The accounting fees have gone down. The coaches are paid better. The enrollment is up. DLA made a donation to the high school.

Coaches Dinner:

The girl's and boy's coaches are invited to a dinner to thank them for a successful season. Board members will be invited too. Dan McNamara will decide on a date. It will be after the boy's season is done.
