

# **2016-2017 Tournament Guide**

**Updated August 2016**

**Demons Youth Hockey Association  
P.O. Box 203  
Ashland, MA 01721**

**<http://demonsyouthhockey.org/>**

**2016-2017 Tournament Information  
Updated August 2016**

This guide is intended to provide general tournament participation information as well as a list of tournaments in New England and beyond, many of which have been attended by Demons Youth Hockey Association (DYHA) teams in the past. The list is not exhaustive and any details around scheduling, availability, levels, fees, and other tournament specific information are subject to change without notice. Additionally, the list does not constitute endorsement by the DYHA of tournaments identified over those that may not be. It is merely intended to provide a starting point for Team Managers and Coaches. The goal is for the list to be dynamic. If you become aware of other potential tournaments, please send an email to: [FirstVP@demonyouthhockey.org](mailto:FirstVP@demonyouthhockey.org)

The tournament list focuses primarily on those close to DYHA membership communities. For a list of all those sanctioned by **Mass Hockey**, please go to: <http://www.mahockey.org/page/show/751249-sanctioned-tournaments>

Keep in mind that Board members, coaches, parents, and even players can provide perspective about tournaments they've attended in the past. While tournament selection and associated arrangements are the responsibility of each team's Manager, in coordination with the team's coaches regarding the level of play, peer feedback about prior experiences can be valuable.

**Scheduling Considerations:** Avoid scheduling tournaments in conflict with District 8 or State playdowns or playoffs or league playoffs. The dates for state tourneys are announced early in the season and during the months of September, October and November, the District focuses on determining the winner for the District at the Squirt, Peewee, Midget and Bantam levels. Therefore, it is imperative that no Demon teams which are participating in Playdowns in these age categories schedule any away tournaments during this period. League Playoffs typically occur in March and April and care should be taken to ensure team availability to compete in them.

As soon as you have scheduled your tournament(s), please notify the **Ice Coordinator**. Once league schedules are finalized, they **CANNOT** be changed for tournament games. The **Ice Coordinator** will keep you informed on deadlines to submit tournaments dates to avoid conflicts. You may be able to work with the Tournament Director to work around previously scheduled league games

**Payment:** If your team decides not play in state playdowns you will receive \$250.00 to put toward any tournament. The easiest way to get this \$250.00 is to request that the **Treasurer** write the check directly to the tournament. The second method is for the Team Manager to pay the tournament directly. With this method, the **Treasurer** will need to have either a copy of a cancelled check, a copy of the payment on a credit card statement, or a "paid" receipt or email from the tournament. This method takes longer to get reimbursed and requires the team manager to front the money. If you choose this method, send the applicable paperwork to the **Treasurer**, and you will be reimbursed directly. It is ultimately the Team Manager's responsibility to ensure tournament fees are paid.

**Travel Permits:** Travel Permits should no longer be required or requested for tournaments hosted in the US; however, if a tournament sponsor requests one it must be filled out and emailed or mailed to:

**Mark Boldrighini, District 8, 14 Snow Drive, Littleton, MA 01460**

This needs to be sent in at least 3 weeks before your tournament. A copy is attached at the back of this book or it is available online at [http://assets.ngin.com/attachments/document/0046/5772/Travel\\_Permit\\_12.pdf](http://assets.ngin.com/attachments/document/0046/5772/Travel_Permit_12.pdf)  
If you have any potential questions or concerns about travel permits you can also reach out to the **First Vice President**

**Additional Information:** Please see the Team Manager's Guide for additional information including tips for booking hotels, fun activities for kids during tournaments, how to search out restaurants and sites of interest and, hockey pin exchanges for younger players. **Questions, comments . . . please contact:**
