4.0.0 PLAYER ELIGIBILITY

4.1.0 – Division eligibility is determined by grade

- 4.1.1 CWLL will determine eligibility for divisions by grade. The grade limitations are intended to protect the safety of the children. Clubs are responsible for instituting a process to evaluate and accept the risk for any player who plays up. No player may play up more than 1 grade, per US Lacrosse guidelines and requirements.

4.2.0 – Divisions – It is the responsibility of each organization to verify the grade of each player it registers. In the event of a dispute, grade will be verified using the participant's school identification or equivalent.

- 4.2.1 1/2 Division – All players must be in the 1st or 2nd grade. Younger players may participate, at the discretion of the club. However, the club accepts all liability and responsibility for ensuring all players are physically, emotionally and mentally ready to play.
- 4.2.2 3/4 Division – All players must be in the 3rd or 4th grade. Younger players may participate, at the discretion of the club. However, the club accepts all liability and responsibility for ensuring all players are physically, emotionally and mentally ready to play.
- 4.2.3 5/6 Division – All players must be in the 5th or 6th grade. Younger players may participate, at the discretion of the club. However, the club accepts all liability and responsibility for ensuring all players are physically, emotionally and mentally ready to play.
- 4.2.4 7/8 Division – All players must be in the 7th or 8th grade. Younger players may participate, at the discretion of the club. However, the club accepts all liability and responsibility for ensuring all players are physically, emotionally and mentally ready to play.
- 4.2.5 A player can play in only one division (in his/her age/grade division) per season except in order to salvage a game. No players are allowed to play down a division level or up more than one division level. Exceptions may be made based on a combination of age (e.g., skipped grades), experience, and agreement by the CWLL Board, with priority given to ensuring safety and fair competition. A waiver sent by the parent and coach of the player shall be sent to the CWLL Board at least one week prior to competition for review and approval. The CWLL Board will commit to

approval or disapproval within 4 days, and reserves the right to rescind approval at any time. Under no circumstances will a waiver be granted to any player in 9th grade or higher.

4.3.2 3/4 Division – Focus should be to get all players as much playing time as possible. As such, rosters are not locked and do not need to be turned in.

4.3.3 5/6 Division – Focus is on growing the game and ensuring playing opportunities; therefore, rosters are not locked and do not need to be turned in. Every effort should be made to avoid swing players. However, if swing players are needed to field teams for teams with fewer than 16 players on the roster, they are allowed. Every effort should be made to ensure the spirit of fairness and appropriate competition are maintained.

4.3.4 7/8 Division – Players are required to attend 6 practices in a program before competing in a league game. Rosters will not be locked and do not need to be turned in.

4.3.5 In the event that a player moves into an area or registers late with a program, that player may be added to a roster.

5.0.0 BOUNDARIES AND ‘PLAY FOR’ RULES

5.1.0 The CWLL has implemented program boundaries based on school districts (‘Play For’ rules) to best position the youth programs to support growth of high school programs. The CWLL uses the HS district boundaries (Richland, Kennewick, Pasco, Yakima, etc.). These boundaries differ from the Washington High School Boys Lacrosse Association high school team sending district boundaries because the CWLL board believes the use of school district boundaries best support future growth. The CWLL plans to support the future development of programs in our region, including, but not limited to, Ellensburg, Walla Walla and Yakima.

5.1.1 Definition: ‘Play For’ Rules are defined as alignment of each youth program with a corresponding high school district, such that any player in the district of a given high school program shall play for the corresponding youth program.

5.1.2 Boundaries: The following HS districts are assigned to the following CWLL member clubs

5.1.2.1 Hermiston Youth Lacrosse: Hermiston HS, Echo HS, Irrigon HS, Umatilla HS, Stanfield HS, Milton-Freewater HS, Walla Walla HS

5.1.2.2 Selah Youth Lacrosse: Selah HS, Eisenhower HS, Davis HS

5.1.2.3 Three Rivers Youth Lacrosse: Southridge HS, Kamiakin HS, Kennewick HS

5.1.2.4 Tri-Cities Youth Lacrosse: Chiawana HS, Pasco HS, Columbia HS, Connell HS

5.1.2.5 Richland Youth Lacrosse: Richland HS, Hanford HS, Kiona-Benton HS, Prosser HS

5.2.0 Waiver Policy: All 2017 players may receive a one-time waiver to play for the program played for in 2016 upon written request to the CWLL Board without any vote or other impediment. This “grandfather” clause permits a player to play outside his designated program until he or she graduates to a HS program, or chooses to join his designated program. No additional waivers may be granted, except through the appeals process described in Section 5.3.0.

5.3.0 Appeal Policy: Any player may petition the Board, in writing, to join a program outside his designated program. The Board may grant a waiver simple majority to be held at the next scheduled Board meeting.
