

# Blended Learning Checklist

“Developing and Inspiring on and off the Ice”

## Current Classes and Transcript

Student has emailed their specific and current classes along with their transcript to [austinroot@elitehockeyaaa.com](mailto:austinroot@elitehockeyaaa.com).

## Laptop

Laptops will not be provided for the Blended learning Program. It will be the student’s job to have their own personal laptop to complete class work. (Internet access will be provided for the students in the classroom)

## Supplies

Students need pencils and pens, a notebook, calculator, and the required books for their specific classes.

## School Attire

Students are required to dress professionally for class when present for class time at the rink. We feel that it is important to dress and act professionally. (Polo’s/ Button downs, Khaki shorts and pants, Dress shoes (No Sneaker).

## Payments

1

AUGUST 15TH

\$2,000

2

SEPTEMBER 15TH

\$2,000

3

OCTOBER 15TH

\$1,500

### Morning Skills

Tues, Wed, Thursday

9:30 am-10:30 am

### Lunches

Meals will be up to the students to bring. There is a cafe at Northford that will have hot food for sale.

# Code of Conduct

“Developing and Inspiring on and off the Ice”

## ▶ Dress Code

All students will be dressed in Khaki shorts or pants, polo or button down shirts, and dress shoes. Shirts will be tucked in with a belt. If dress code is not met, students will be disciplined appropriately. We want our student-athletes to look and act professionally on and off the ice. As a program we think if you look professional, you will act professionally.

## ▶ Attendance

All student-athletes will be required to be in class everyday and on time. If you do not show up to class, you will not be participating in team activities for that day. If multiple days are missed, the coaching staff will meet and decided any further disciplinary actions.

## ▶ Grades

This schooling option will be taken seriously. We understand that this program is any hockey players dream, but with that being said, the grades of our student-athletes will not suffer. Players will be asked to give bi-weekly progress reports to their coaches. If grades are not met, players will be appropriately disciplined. We want our student-athletes to thrive on and off the ice.

## ▶ Classroom Conduct

Students are expected to create and add to a productive learning environment. In class time is to be taken seriously. It is not a time to distract oneself or others. The staff takes this very seriously. If we feel a student is not adding or creating to a productive work environment, necessary steps will be taken to ensure antequate resolution.

### Note

Students will have access to the classroom anytime the rink is open. We want our student-athletes to have a place that is quiet and comfortable to get work done.
