

Raptors Athletics Baseball Core Values/Code of Conduct Statement

CORE VALUES

Strive for Excellence - Encourage each player to always do their best as he/she learns to master the fundamentals of both their athletic and life skills.

Recognize Every Victory - Big or small, there are victories in every event that should be recognized.

Develop Leaders - The goal is not just to develop good athletes, but also good leaders. Our youth athletes will not be playing sports all of their lives, but they can be lifelong influencers.

Teamwork - Developing strong relationships, respecting others, and showing sincere care to everyone around you will take you a long way in life. This is something all of our teams will embrace.

Perseverance - Never give up and don't be afraid to make mistakes. Anything is possible through hard work and perseverance.

Positive Attitude - Strive to have a positive attitude in practice, games, and all aspects of our lives.

CODE OF CONDUCT

I will remember that I am at a contest to support my team and to enjoy the skill and competition; not to intimidate or ridicule the other team and their fans, officials, or coaches from your own team.

I will encourage the athletes to play by the rules. Remember that children learn best by example, so applaud the good plays of both teams.

I will show a positive attitude toward the game and all of the participants.

I will not embarrass any athletes by yelling at players, coaches, or officials in a negative or derogatory manner.

I will not use profane language.

I will emphasize Sportsmanship through verbal and physical behavior.

I will support the officials on and off the field. This approach will help in the development and support of the game. I will also report any officials and provide feedback to my AYL delegate if there are issues that arise during a game.

I will applaud a good effort in both victory and defeat, and enforce the positive points of the game.

I will recognize the importance of coaches. They are important to the development of athletes and the sport.

I will be a positive role model during and after all practices and games.

I will remember, participating in athletics and being a fan in the stands is a privilege, not a right.

Violation of any statement within the Code of Conduct, misrepresentation of the Raptors Athletics Mission Statement or Core Values will result in a verbal or written warning, possible ejection, suspension, and up to removal from the Raptors Athletics Baseball program.
