To Whom It May Concern:

The Great Falls Lacrosse Club was established in 2013 to promote the sport of lacrosse in Great Falls, MT. Lacrosse continues to be the fastest growing sport in the United States and is the oldest sport in North America. U.S. Lacrosse released a statistic that the Montana Lacrosse Association is the fastest growing chapter in the United States since 2013 with a growth rate of 46%. We have seen first-hand the growth here in Great Falls as the number of players tripled during the 2017 season.

Our organization was founded to give the youth of Great Falls the ability to play this extremely fun and energetic sport. Lacrosse, considered to be America's first sport, was originated by North American Native Americans, christened by the French, and adapted and promoted by Canadians.

We are very excited to offer business sponsorships so the youth of Great Falls will have a chance to participate in this tremendous sport. We are a 501(c)(3) non-profit organization and 100% of your tax-deductible donation will go to supporting the youth of our club.

Your financial donation will help purchase required equipment to include goals, balls, uniforms, and protective equipment. Sponsors will be recognized in the following ways:
