

2018 Fee Information

There is \$100 deposit required with registration to be paid online using a credit card. This deposit will go toward your final fee.

Unlike sanctioned sports (e.g. football, basketball), our program is fully funded by players and sponsors, therefore, the final fee will not be set until after registration closes (Feb 15th) as we must take into consideration program expenses and the actual number of registered players.

Historically, the total fee for the season has been \$500-\$600. This covers such items as:

- Coach salaries
- Field fees (yes, we have to pay to use our own SRHS field as well as others!)
- Referees
- Trainers
- Insurance
- Apparel
- Misc Equipment

Players can reduce their final fee by:

- Registering early- Early Registration discount: -\$50
- Obtaining sponsorships- there is a minimum requirement of 1 sponsorship: -\$50 (+ additional sponsorships amount varies)
- Fundraisers: varies

Financial assistance may be available for qualifying families through THPRD (www.thrpd.org) and through SRHS Lacrosse Club.
