## **Greater Altoona Girls Softball Association Scholarship Program**

The GAGSA Scholarship is offered to any eligible household living in the Southeast Polk School District. Our goal is to allow every girl the opportunity to participate in our program.

### **Eligibility Requirements:**

Applicants must complete this scholarship application at (or prior to) registration deadline. All scholarship applications are reviewed and given based on availability of funds and financial hardship of the household.

### **Notification of Acceptance:**

Scholarship recipients will be notified by a board member within a week of receiving the application. All scholarships will be directly applied towards the registration fees. Applicants who did not qualify for a scholarship will be given seven additional days to meet the remaining balance.

***Volunteer Note:*** *In addition to the minimum of one volunteer opportunity that each family in the organization must fulfil, all scholarship recipients and/or parents/guardians will be required to fulfill one additional volunteer opportunity during the season. This means that each family on scholarship will be responsible for a minimum of two volunteer shifts during the season. Not fulfilling these obligations may result in ineligibility for the scholarship program in the future.*
