

Donations can be sent to:

830 Twin Pines Dr
Madison, WI 53704

Dear

The Madison Eastside Lacrosse Association and the team members are seeking your support for our 1st season as the Madison Eastside Lacrosse Association. ***The mission of the Lacrosse program is to develop character among our players in a team environment; to produce outstanding results in the classroom, within the community, and on the field; and to instill a healthy work ethic in the young men and women involved in the program that will serve them on the field, in the class room and in their community.***

We are a volunteer organization that depends on donations from individuals and businesses like you to help fund our program and allow the Lacrosse teams to be accessible to all individuals interested in playing. Your generous contribution will assist us in paying for equipment, uniforms, travel costs, field rentals. These are items not included in the lacrosse club budget. We are proud to have both a boys and girls varsity, junior varsity and boys' youth programs. We are striving to create a girls' youth feeder program to promote this great sport.

To help raise money for our program, we would greatly appreciate your sponsorship. Checks can be made payable to: Madison Eastside Lacrosse Association (MELAX). We also offer advertising for businesses on our website: **MELAX.org**

Thank you for your support. We hope to see you at Breese Stevens Field soon!

Sincerely,

Madison Eastside Lacrosse Association **and Team Players**

Please clip and return stub with your check
