## A LEAGUE OF THEIR OWN

**Matthews Softball Association (MSA)** is a non-profit association, operated by volunteers, and funded by MSA participants, sponsors, and various community organizations. MSA is the place for girls to play. We provide both recreational and competitive travel fastball programs for girls in and around Matthews, North Carolina. Our overall mission is to provide a safe and rewarding program where every girl has a chance to develop and improve her skills in softball. The goals of MSA are for the girls to have fun, learn the importance of competing and participating on a team, develop good sportsmanship, and obtain a more rounded sense of well being. Every decision made by MSA will be accomplished with a complete focus and dedication on improving the future of the overall program for the girls.

### **BECOME AN MSA SPONSOR**

We invite your Company to become a sponsor of MSA Softball. We have several different packages to allow you the opportunity to help out our organization. We typically have between 180-to 240 girls in our recreational league and another 80 to 100 in our travel program each season. Our families can support your business because you have chosen to support us as a sponsor. Thank-You for your thoughtful consideration on this request.

**Recreational Teams:** Matthews Softball Association offers T-Ball, 8U, 10U, 12U and 15U Programs. The recreational program is the foundation of our association. It is the place that girls begin to build their skills and love of the game. Regardless of age or ability, recreational softball provides a most enjoyable experience for the girls and their families. Girls will make new friends learn about team building and gain confidence. Most importantly the girls will have a bunch of fun.

**Travel Teams:** The Travel Program is a higher level of commitment and competition. The program is separate from the rec program and there are different fees and schedules associated with it.

## **Team Sponsorship Packages:**

### **Team Sponsorships:**

You can sponsor a team for both the Fall and Spring Season. All the girls on the team will have either your company name or logo on their shirt. **Cost \$450**

You can sponsor a team for only one Season. All the girls on the team will have either your company name or logo on their shirt. **Cost \$275**

### **Donations:**

We realize the economic conditions are very tough on a lot of businesses. We would gladly take any donation you could make to Matthews Softball Association for your consideration.
