

VSKYF Policies

As members of the VSKYF organization please familiarize yourself with these policies. All policies are non-negotiable and upheld at all times. Signing the VSKYF Code of Conduct is acknowledgement and agreement to the VSKYF policies

REFUND POLICY: Refunds are distributed only if one of the following conditions are met; (1) The registered player/cheerleader is physically unable to play due to a medical condition. A note from a doctor will be required. (2) The registered player/cheerleader is unable to play due to military relocation. A copy of the military orders will be required. (3) A refund was requested PRIOR to the commencement of the third week of practice. NO REFUNDS WILL BE GIVEN WITHOUT MEETING ONE OF THE CONDITIONS ABOVE.

FUND RAISING: Fund raising is held throughout the year. Money is allocated accordingly to help supplement the organizations expenses: uniform costs, field fees, insurance, referee fees, special events, league participation fees, banquets, awards, travel and any other fees associated with the operation of the organization that the registration costs do not cover. We require members to participate in at least 2 fundraising events. Fund raising responsibilities can be eliminated by paying an additional \$100 opt-out fee. Lack of participation or misappropriation of fund raising money can lead to disciplinary action up to and including immediate removal of your child from the association.

PRACTICE POLICY: Parents will be required to be seated in the respective parent section of the practice location as identified by the President and/or Vice President. This will ensure successful coaching and concentration of the player/cheerleader. Frequent absenteeism from practice may result in delayed participation of the player/cheerleader on game day as deemed necessary by the head coach of your child's team.

INSURANCE DISCLOSURE: The organization medical expense benefits are in EXCESS of the primary insurance. The organization medical plan will only pay expenses that are not offset by the limits of the primary plan. If the parent does not have insurance coverage, then less the policy deductible, the organization plan will provide insurance coverage. All claims must be filed within 90 days of the injury/accident.
