

Pre-Pay Account

Once again the concession stand is offering families the option to "Pre-Pay" for their needs at the concession stand. There is **no set dollar amount** and it is **available to everyone**. An account will be set up in a notebook kept at the concession stand.

This is how it works. For example: A family pre-pays for \$20 worth of food at the stand. A family member/player orders a drink and a bag of chips, the money is then deducted from your available balance.

This program will be available anytime during the regular season. Remember, **this is a 'debit' account, not a 'credit' account.**
